From the babies in arms to the aged grandparents, the Amish all dress "plain." The little boy, scarcely able to toddle, is dressed just like his father. His ankle length, cuffless black trousers open down both sides at the waist, where they are buttoned. The little Amish girl's dress is just like that of her mother. It is ankle length, gathered at the waist onto the smooth fitting, long-sleeved waist.

E. MADCIFF, HERSHEY, PA.
